*\*Auditions will be disqualified if the file will not play, the authorized script was not used, the recording stops and restarts, the teacher is heard talking in any way, or the name of the student, school, or teacher is identified.*

*\*\*All students are scored twice, and their scores are averaged. These average scores are compared within CMEA Districts by voice part, and students are selected proportionally by CMEA District representation. For example, CMEA District 1 Soprano 2's only compete against CMEA District 1 Soprano 2's. For questions, please visit: [msallstatechoir.org](http://msallstatechoir.org)*
