- Mens Choir will become Cambiato Choir
- Treble Choir will become Mescolare Choir
- Checking with a native Italian speaker

III. Duty Assignment (Quick) Updates – Cherese

a. T-Shirts - Vicky

- Looked at new logos for the shirts
- Pre-sale - One order and pay per school on the CMEA website
- Tshirts only available for purchase at the event
- Two pick-up times - presale and at event sale

b. Logo-Clare

- Some new options were emailed out
- Decided to just stay with the original logo and potentially add a mountain range in the background

c. Hotels

- Working with current hotels to get some of the benefits offered by the other hotel

d. Any others?

- Update links going to CMEA website from our website
- Get potential allergy issues for room hospitality items from clinicians

IV. College Credit Update – Abby

- **Relicensure credit available from UNC**

- General board members - 1 credit for fall semester
- Executive board members - 2 credits for fall semester
- Any attending director - 1 credit for spring semester
- Will need to pay for credit, reflection attendance, and potential online model
- Can send out information with acceptance email
- Board voted to have these credits paid for out of our budget for the CMASC board

V. Auditions – Nathan

a. Special circumstance auditions (blind, extra time, etc.)

- Send them to Emily

b. Copy, paste, and send: email from Co-Chair when tracks are uploaded. SEND THIS WITHOUT DELAY!

i. CC to Nathan and Cherese

ii. Send Sunday night (16th) or Monday morning (17th)

c. Go over official audition pieces

- Look over the aural recall section and sightreading to check for potential issues

d. Reminder: the audition materials need to be listened to before they are sent to directors

- Joe, Michelle, and Cherese are going to do this before Thursday this evening

e. Training on new software program: Festival Scores

- Video on how to submit via festival scores will be released with audition info as well as written directions
- All board members at this meeting have been trained
